GENERAL INFORMATION (OR “what you need to know before signing up for a course”)

Training may cost tens of thousands of dollars with no refund available if you make a bad choice or change your mind during the course. Every year, NSW Fair Trading receives complaints from students about fees, refunds, misleading information and course quality for training and education.

Don't sign up for a training course until you research the qualifications, providers, costs and payment options that best suit you and your career plans. Australia has a national system of accrediting vocational education and training (VET) qualifications and courses. Only registered training organisations can deliver nationally recognised qualifications and accredited courses.

Essential checks

Before committing to qualifications or courses, do these essential checks:

Check the training provider is registered

For vocational education and training, check that the training provider is allowed to offer the course in the state/territory in which they are offering the course. Make sure the training provider is a registered training organisation (RTO) and that the course you want to do is listed under the scope of training they are authorised to provide (visit <http://training.gov.au/Search/SearchOrganisation>).

If you are seeking funding from the government to support your training, check the training provider is approved to offer loans. Please note that Linked 2 does not subscribe to government funding programs, however we can refer you to RTOs who do.

To apply for a VET FEE-HELP student loan to pay for the course, check the training provider is approved to offer the loans. For details go to the 'Approved VET providers' page at <http://studyassist.gov.au/sites/StudyAssist/>.

Also check the requirements for loan fees, interest and paying back the loan. For details go to the VET FEE-HELP information booklet at <http://studyassist.gov.au/sites/StudyAssist/>.

Shop around

To find the course best suited for your needs, compare prices, fees, content and length of the courses and job opportunities after completing the course.

Make sure the course meets your learning, career and financial needs

Before entering into a contract, discuss your learning and career needs with the training provider or marketer:

- Ask how the course will meet what you want from the course and your career goals, and discuss any personal circumstances that might affect your ability to study.
- Ask about the total cost, including additional costs for textbooks or other course materials, and the method of payment.
- Ask about any protections offered by the RTO for amounts you pay to them, particularly if you are paying more than \$1,500 upfront.
- Ask for cooling-off periods, [census dates](#) for cancelling VET FEE-HELP loans, cancellation and refund terms and conditions to be provided in writing.

Always get copies of the paperwork you sign and the contact details of the marketer and the training provider so that you can ask further questions or cancel the course

Read the training contract carefully

Before you sign, read the training contract carefully and check your cooling-off rights, which include the cancellation and refund conditions in case you change your mind. Ask for the student handbook, which should have information about the training organisation's grievance and appeals policy or formal complaint process. If there is anything you don't understand, ask the marketer and the training provider. Also, ask to speak to someone who has done the course. You may also seek help from someone you trust or from your local community organisations.

Be wary if approached to enrol in a course

These tips will help you make informed decisions and avoid marketing pressure tactics and unscrupulous practices:

- Never sign up 'on the spot' (when someone stops you in a shopping centre or on the street, emails you, calls you up or knocks on your door). The exception is if you have done your research and are certain the course is right for you.
- Don't feel pressured by "limited time only" prices. If they want your business, they will often do you a good deal later.
- Don't be fooled by claims that a course is "free" or "Government funded". Training is not usually free. If you provide your tax file number, you could end up thousands of dollars in debt via a VET FEE-HELP student loan, and will have to repay the loan when your income reaches a certain level.
- Don't be fooled by deals, such as "free" or bonus incentives like cash, laptops or tablets, which are built into your course fees or loan. From 1 April 2015, training providers and marketers are banned from offering students incentives to sign up courses funded by VET FEE-HELP loans. For more details refer to the new VET Guidelines 2015 at <https://www.legislation.gov.au/Details/F2019C00103>
- Don't get scammed. Only give out your personal details, including your tax file number, if you are confident you want to enrol. Be sure the person is an authorised representative of an approved training provider. Ask for identification.
- Never provide the training provider with your usernames or passwords from government agencies, such as the Department of Human Services, Centrelink or myGov.
- If you were approached and signed up on the spot, don't pay anything until the end of the cooling-off period (10 business days).
- Try contacting other training providers who may offer the same qualification for a cheaper price, and may still offer VET FEE-HELP loans.

ACCESS AND EQUITY POLICY – FOR ENROLMENT IN TRAINING

Linked 2 employed and contracted staff are required to adhere to the principles and practices of Equity in Education and Training. Grievance procedures have been put in place to ensure any concerns during training are dealt with immediately and appropriately.

Training services will be made available to all Students (and potential Students) regardless of race, gender, religion, age, marital status, physical or intellectual impairment, or sexual orientation. Support mechanisms are available to support the employer and Student should they be required – costs for accessing these support services may need to be borne by the user of the services and will vary depending on the type of service accessed. Linked 2 does not charge any extra fees for in-house support services. In accordance with the Sex Discrimination Act, 1984, sexual harassment will not be tolerated in the workplace, or in the training environment. Professional Development of staff will be reviewed at least annually, aimed at addressing this and other discriminatory behaviours.

We commit to our clients to never make them do unnecessary learning and assessment where they are able to provide evidence and demonstrate competence.

These advertisements will clearly state the course name and any type of pre-requisites or selection criterion for enrolment. All enquiries for enrolment will be given full and equitable consideration. Where there are conditions of enrolment or pre-requisites applied to a course(s), these shall be clearly stated to the potential Students.

The selection criterion for entry to the courses is based on:

- The individual's ability to complete the course (based on availability to study and LLN capability)
- Previous training and education
- Relevant work/life experience - paid or unpaid - full time, part-time, casual or voluntary
- Relevance of the course to the individual's career plans
- Prerequisites/priorities identified in the training package

Applicants who have been accepted for a course will be notified by email (unless this is not an option in which case, by telephone or post) as soon as possible about their successful enrolment and course details.

Information supplied on the enrolment form will only be available to the State Department of Education and Training and the National Commission for Vocational Education and Research and the Program Sponsor if applicable. This information is used for research, statistical analysis, program evaluation, post completion surveys and internal management purposes in accordance with our privacy policy.

LEARNING RECORDS

All records of assessments are stored electronically for 2 years. Linked 2 requests that all Students retain a copy of any assessments submitted for review. We will send via email (where possible) an electronic copy of marked assessments with feedback from the assessor.

A copy of the qualification and the transcript issued is kept electronically for 30 years. ***Please note that there is a fee of \$88.00 for re-issue of a qualification if it is lost or damaged.***

Access to records is available on written request. ***There is a cost of \$88.00 to access records once the course has been completed and the records have been closed off.***

FLEXIBLE LEARNING

Linked 2 is committed to providing its students, where possible, with flexible learning processes. This means that Linked 2 focuses on the learning rather than the teaching to provide the best possible outcome for students. Through this means, the student will have much greater control over what, when and how they learn. Some of the flexible learning options available include:

- The scheduling of the learning sessions at a variety of times, e.g., Skype meetings outside of standard business hours
- The provision of flexible learning and assessments for those with special needs, e.g., large print or **white on black** electronic pages for those with compromised vision
- Self-paced learning experiences such as distance education and CDs
- A variety of assessment methods and tools
- Professional interpreters, where it has been identified that this will enhance learning outcomes.

USI – UNIQUE STUDENT IDENTIFIER

The Unique Student Identifier or USI is a reference number made up of 10 numbers and letters that creates a secure online record of your recognised training and qualifications gained in Australia, even from different training organisations. Your USI will give you access to your training records and transcripts which can be accessed online, anytime and anywhere; is free and easy to create and stays with you for life.

Where an exemption applies or exists (see below) please note that the results of the training will not be accessible through the Commonwealth and will not appear on any authenticated VET transcript prepared by the Registrar.

WHO NEEDS A USI AND WHY? If you are a new or continuing student undertaking nationally recognised training, you need a USI in order to receive your qualification or statement of attainment. If you don't have a USI, you will not receive your qualification or statement of attainment. Your USI will give you access to an online record of the training you have done since 1 January 2015. You will also be able to produce a comprehensive transcript of your training. This can be used when applying for a job, seeking a credit transfer or demonstrating pre-requisites when undertaking further training.

CREATING A UNIQUE STUDENT IDENTIFIER (USI) will only take a few minutes and it is free. You only need to create a USI once and it will stay with you for life. After you create your USI, you then need to give it to each training organisation you train with when you enrol.

To create your USI please go to <https://www.usi.gov.au/students/create-your-usi>. Once you have received your email from the USI team confirming your number, add your unique 10 numbers and letters to your enrolment form.

IS ANYONE EXEMPT FROM NEEDING A USI? Exemptions are provided for an individual where the individual is an offshore international student studying outside of Australia. This means that international students who are enrolled with an Australian training organisation but are not in Australia while undertaking their training do not require a USI in order to receive a Vocational Education and Training (VET) qualification or statement of attainment. However, training organisations will still be required to submit AVETMISS compliant data in respect of their offshore international students.

In addition, individuals who have a genuine personal objection to being assigned a student identifier will be able to apply for an exemption to the Student Identifiers Registrar. To apply for an exemption, please go to this website <https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply> and follow the instructions there. If the Registrar approves the request for an exemption, the USI Office will mail the individual a notice, signed by the Registrar, confirming that they have been exempted from the USI. Importantly, this notice will include the individual's name and the place and date of birth, which was included in the Statutory Declaration. If you have an exemption letter, please attach a copy to your enrolment form.

NB: If you are a New Zealand citizen, you cannot apply for a USI while overseas. You will require a USI if you undertake a VET course in Australia, and you will be able to apply for a USI once you have entered Australia on your NZ passport.

NB: If you are an Australian expat or resident and have an Australian ID, you need a USI even if you do the VET course while outside Australia.

COMPLIANCE

Linked 2 is solely responsible for issuing Qualifications or Statements of Attainment to graduates of our programs. Qualifications or Statements of Attainment will be issued to you within 30 days of submission of final and complete assessment documentation demonstrating that you have met all of the requirements of the relevant training program. This also assumes that all fees have been paid to Linked 2. No qualification will be issued unless all fees are paid in full.

We commit to working with our students to support successful outcomes, however we reiterate that enrolling in a course of study with us does not in any way guarantee successful completion of that course, nor can we guarantee the issue of any occupational licensing that may be linked with the attainment of a qualification.

In the unlikely event of Linked 2 not being able to continue training or assessing, for any reason, we will institute a process of transfer from our RTO to another. If that is not feasible, a Statement of Attainment for completed work will be issued and you will be referred (along with all records of work completed to date) to the relevant department within ASQA. ASQA supports students through effective regulation of the vocational education and training industry. ASQA also accepts information from students about problems with training providers and, in some cases, can reissue student records. For more information, please visit <https://www.asqa.gov.au/students/resolve-problem-your-training-provider>.

ASSESSMENTS

Accredited training undertaken through Linked 2 is competency based. The competencies and assessment for all courses are clearly stated by the facilitator at the beginning of the course. All Linked 2 trainers/assessors are bound by a code of practice to ensure assessments are valid, reliable, flexible and fair. The trainer/assessor will seek evidence to confirm achievement of the stated competencies in all courses and more than one unit of competency may be assessed at any given time. Both the Student and the trainer/assessor must be present for all planned assessment tasks, to be executed during the scheduled days of training.

Turnaround time for marking assessment tasks and providing feedback is usually 5 – 10 business days.

After successful completion of the course, you will receive a certificate or statement of attainment for the appropriate units for the course. Turnaround time for issue of qualifications is usually 10 business days.

It is the trainer/assessor's responsibility to ensure all Students receive the full scope of information, knowledge and tests required to complete their course successfully. The following types of assessment methods maybe utilised by Linked 2 assessors:

- Presentation or demonstration of skills applied in a workplace
- Written short or long answer questions
- Workplace or simulated activities
- Project assignments
- Verbal questioning
- True or false quizzes or Crosswords
- Role plays

Undergoing assessments should not be a stressful activity. They are conducted in a relaxed and friendly atmosphere. Please do not regard any assessment as an examination. Linked 2's trainer/assessors simply need to know which competencies have been mastered, and which competencies require further practice and the trainer/assessor will be flexible in the assessment methods used. Your role is to provide evidence that you can safely and consistently perform the tasks being assessed and that you know how and why you perform those tasks in a particular way.

DISTANCE EDUCATION ASSESSMENTS

At the end of each individual or cluster of units of competency (subjects), you will be required to submit to Linked 2 your assessment task(s). This will typically consist of a series of written assessments and practical, work based projects or exercises. These assessment tasks will be reviewed by the assigned assessor and returned with written feedback on current progress.

In a situation where the Student has been deemed 'Not Yet Competent' the assessor will supply feedback and guidance on what needs to be done to achieve competency in the module and advise in writing what and when to resubmit the assessment task(s). This may take the form of written or verbal questioning or feedback. If a Student is unsatisfied with the result of either the initial assessment or re-assessment, there is an assessment appeals process to follow.

ACCESS AND EQUITY IN ASSESSMENT

All reasonable steps will be taken to ensure each Student has an equal opportunity to undertake the assessments. Each Student is treated equally regardless of race, gender, marital status, age or sexual preference. If there are any aspects of the assessment that are unclear, please speak to the trainer/assessor. If you have a physical or psychological impairment, please let us know as early as possible so we can make reasonable adjustments to relevant assessment processes.

Reasonable adjustments may include the use of special equipment, extension of timeline, or somehow modifying the way we work with you to help you to demonstrate competency.

ASSESSMENT FEEDBACK

All assessment tasks undertaken will be reviewed by qualified and experienced assessors and feedback will be given on the outcomes. This feedback will be a constructive discussion and if the Student is found to be "Not Yet Competent" the assessor will explain why, and what is required to achieve competency. Turnaround time for marking assessment tasks and providing feedback is usually 5 business days.

SPECIAL NOTE REGARDING OUTCOMES OF ASSESSMENT

Please note that enrolment in a course with Linked 2 does not in any way guarantee the outcome will automatically be the issue of a Qualification or Statement of Attainment. Students must earn the right to these documents by providing adequate, current and valid evidence of competence. If you are not able to do this, we are not obliged to issue you with a qualification. We will work with you to achieve a successful outcome however; we will not promise that everyone will always be successful every time.

CHANGES TO AGREED SERVICES

Should there be a change in the Training Package or the applicable legislation that may affect the training program in which you have enrolled, for example, a training package is updated after you have enrolled, Linked 2 will make every effort to transition you to the new program so that you graduate with the latest qualification.

PLAGIARISM

Plagiarism occurs when a writer duplicates another writer's language or ideas and then calls the work his or her own. Copyright laws protect writers' words as their legal property. Students should always submit evidence of competency that has been created by the Student themselves, or which is properly referenced. Plagiarism is not accepted by Linked 2 and where plagiarism is detected, Linked 2 will assess the evidence provided as Not Yet Competent and counsel the Student on the requirements of Students to submit their own evidence. Continued plagiarism will result in removal from the course without refund.

LANGUAGE, LITERACY AND NUMERACY (LLN)

It is a requirement under the Australian Skills Quality Authority (our federal govt. regulatory body) that Linked 2 ensures the training delivered on their behalf is targeted appropriately to the people participating. You will be asked to complete an enrolment form that addresses your language, literacy and numeracy skills and you may also be asked to complete additional tasks to help us to determine what type or level of learning support will best suit your individual needs. If you know you need assistance, please let us know early on so that Linked 2 can help with this process. All LLN issues are treated with understanding, discretion and confidentiality. You come to us to learn, so please allow us the opportunity to make your learning a positive experience.

ASSESSMENT APPEALS

An appeals and reassessment process is a major part of the process involved leading to either a nationally recognised Qualification or Statement of Attainment. Linked 2 has an impartial appeals process available for all Students. If a Student wishes to appeal their assessment result, they must first discuss the situation with the trainer/assessor. If the Student is not satisfied with those discussions and would like to proceed further, or if the Student does not wish to approach the trainer/assessor, then a formal request in writing outlining the reason(s) for the appeal must be made to the CEO.

There must be reasonable grounds for the appeal, for example

- Unclear or inaccurate instructions by the assessor
- The assessor showed bias or the Student was treated unfairly
- The Student was ill (and provides a medical certificate) during the period of assessment

The Appeal will be recorded in the Appeals register and Linked 2 will activate the Appeals Process. Re-assessment under appeal will be undertaken within five days of the appeal being received. Every effort is made to settle the appeal to both the student's and Linked 2's satisfaction. The Student making the appeal must show respect for the process and make themselves available at reasonable times for re-assessment if that is deemed necessary.

If the appeal is proven and a reassessment is required, Linked 2 will organise a date and time for the reassessment with another independent assessor. The results of the reassessment will be supplied to the CEO who will supply this information to the student in writing. The results of the reassessment will be final. Throughout the entire appeal process, the student can request that their appeal be heard by an independent person. The student has an opportunity at any stage to formally present their case. The student will be provided with a written statement of the appeal outcomes, including reasons for the decision. Should the outcome of the appeal not be acceptable to the student, they will be informed, in writing, of the opportunity to lodge a complaint the relevant State Training Authority.

It is important you are aware that certain types of behaviour will not be tolerated. You will not discriminate against any person because of their race, gender, sexual preference, background or religion. SMOKING

Linked 2 is a smoke free learning environment. As such, you are not permitted to smoke inside the buildings. You are permitted to smoke outside the buildings unless the training is being conducted in a designated smoke free site.

DISCIPLINARY PROCESS

Disciplinary requirements occur when the behaviour of a Student is deemed as unsatisfactory by an individual or group within the learning environment. If your behaviour is considered to be disruptive or offensive, and to compromise the safety and comfort of other learners, disciplinary action will be taken. During the process whenever counselling occurs the counselling is to include an identification of what the problem behaviour is; how the behaviour does not meet the guidelines as specified, and what is expected in the way of corrective behaviour.

The Disciplinary process has three steps. These are as follows:

1. Where there is any breach in the expected behaviour of Students (as per the guidelines in this handbook) the Student will be firstly counselled by the Trainer for that program.
2. If the unsatisfactory behaviour continues, the Student will be referred to the CEO (or a designated supervisory person).
3. If the unsatisfactory behaviour continues then the Student will be considered for removal from the program.

PRIVACY LEGISLATION

In accordance with the Privacy Amendment (Private Sector) Act 2000, Linked 2 is committed to protecting your privacy and your personal information.

COMPLAINTS PROCEDURE

A complaint or appeal relates to any type of concern or problem pertaining to your work or course being undertaken which may be raised by either a member of staff or a Student.

Linked 2 will strive to establish a consistent atmosphere of trust and openness with students so that any type of complaint is dealt with in a timely, constructive and effective manner. All complaints and appeals are considered serious and an investigation of the complaint or appeal will commence within 24 hours receiving the said complaint or appeal.

All students making any form of complaint or appeal have the right to have an independent person or panel to act on their behalf or hear their complaint or appeal at any time or even to support them whilst the complaint or appeal is being resolved.

All students have the right to formally present their complaint or appeal. All complaints or appeals will be recorded in writing and the outcomes will be communicated back in writing explaining the outcome.

The steps in the complaints and appeals process are:

(A) LOCAL LEVEL RESOLUTION: Any Student with a complaint or appeal is firstly encouraged to raise the matter directly with the other party concerned. A meeting should be requested, by the student, at which time the matter in dispute can be raised and a resolution sought. In other words, talk directly to the person you have a problem with, and try to sort the problem out between you.

(B) RESOLUTION BY TRAINER/ASSESSOR: Should the matter remain unresolved following (a) or should (a) be considered inappropriate, the Student is encouraged to contact their trainer/assessor, who will help to sort out a solution. This may be by means of a mediated discussion or by talking individually with each person involved in the dispute.

(C) RESOLUTION BY THE CEO: Should the matter remain unresolved following (b), or should (b) be considered inappropriate, the Student is encouraged to contact the CEO who will investigate the matter. The CEO will ask you to put your concerns in writing and will review and help to your concerns and will give you a written response to your complaint explaining the outcome including the reason for the decision.
